

News from the Government (24th March 2020)

There is news from the Government.

The government has said everyone must stay at home.

This means that you can't visit family and friends.

You can still talk to family and friends on the phone.

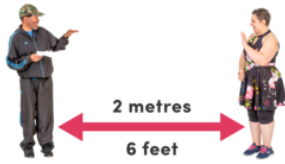

The government has said that work places must close.

The government has said that places like day services, churches, café's, restaurants and cinemas must close.

You can go out for a walk around Cheeverstown but you must stay far away from other people.

You can go out for a drive.

Remember to wash your hands.

This is hard for everyone.
This will keep everyone healthy and safe.

If you feel upset about this you can talk to staff, your family or friends.
