

My Special Coronavirus Test Story

1

There is a special test for Coronavirus

2

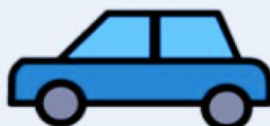

It will not hurt. It will feel a little bit tickly.

3

An adult will phone the nurse.

4

You will go in the car to the special test.

5

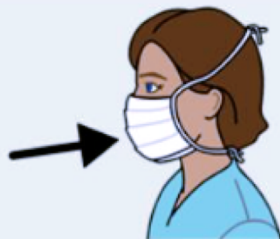

Some people will go to a special building for the test. Some people will stay in the car for the test.

6

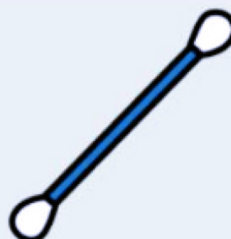

The helpers will give you a paper mask to put on.

7

The nurse will have a paper mask and gloves on.

8

The nurse will use a special swab. It has a soft and fluffy end.

9

The nurse will wipe the fluffy swab in your nose. It will be a bit tickly.

10

The nurse will wipe the swab in your mouth. You won't be able to taste it.

11

Then it is time to go home and play.

12

The test will not hurt. It will only feel tickly.
