

My house mate has COVID 19 / Coronavirus and is leaving the house

(name of housemate) is sick and needs help to get better.

(name of housemate) will have to go to another place to try to get better.

Staff will have to wear protective clothes.

These clothes might look strange. It might be hard to see their face.

Some of the staff might have to stay at home.
This means there might be some different staff.
All staff are there to help you.
