The Irish Psychologist (IP) Magazine Cover Page Competition

Be in with a chance to have your
artwork featured on the cover of
the IP!

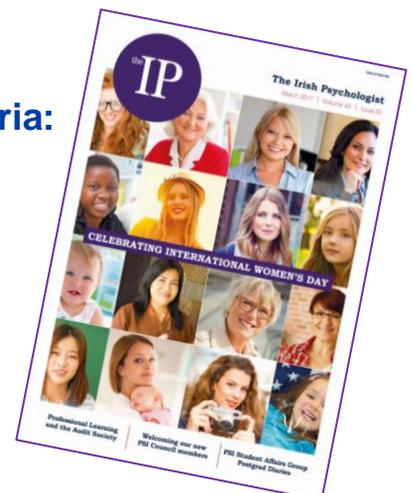

Over the course of the COVID-19 restrictions we have learnt a lot about some of the wonderfully talented members that we have in the PSI. It has been enjoyable to see (via social media) the creative resources members have produced to support the public and the people they work with, whilst also learning about the hobbies and interests that members have! So, to try and capture this, the **PSI is launching a competition that invites members to submit images of artistic work they have created (artwork, photography, other visual media) that capture aspects of psychology, psychological constructs, or indeed the Society.** There is no time restriction as to when the piece of work was created, so even if you did a painting 20 years ago you can still submit it as an entry, if it meets the 'Technical Specifications' listed on the following page! **Winning and commended submissions will be featured in The IP in the second half of 2021.**

The closing date for entries is 5PM on Monday 08 March 2021. Entries, consisting of an image and entry form, should be emailed to irishpsychologist@psychologicalsociety.ie ensuring to list 'IP cover comp' as the subject of the email. Please note, the competition is only open to those who are PSI members for the 2021 membership year.

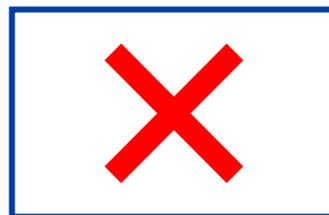

All entries will be judged on the following criteria:

- **Relevance of the piece of work;**
- **Visual impact;**
- **Adherence to technical specifications.**

Technical Specifications

- Entries should be submitted as a JPEG file. If your entry is a photograph, then it may already be a JPEG. However, if you wish to enter, for example, a painting or drawing, then you must take a photograph of the piece of work in order to submit the entry.
- Entries are to be at least 4Mb JPEG in size.
- Images should be taken using a DSLR camera or a modern mobile phone with an 8-megapixel camera or better.
- As the cover of The IP is portrait, it is essential that entry images are submitted in portrait style.

Please remember, if your entry is a photograph featuring people then you must get their written permission to use the photograph.
